General Information

Spring Camporee will be held on April 15, 16 & 17, at Firestone Scout Reservation. There will be contests of skill and contests of fun. The theme is "Frontier Round-Up" and the events will be organized around basic scout skills. This Camporee was conceived, designed, organized, presented and hosted by the Frontier District's Program Committee.

Please review this Camporee Guide and the Rules and Regulations that are in this package. All the forms required and information needed to make this a successful event for your unit is contained in these pages. Please make sure that your patrol members bring a compass. If you have any questions, please contact the Program Chairman. As with all Scouting activities you will need to have a Tour Permit.

This is a Scout activity and National Council Rules and Regulations will be in full effect.

Webelos Dens are invited to attend, however, unless they are Sponsored by and Camping with a Troop; they may only come out as guests for the day on Saturday; per National Rules.

We hope you and your unit will have a wonderful time participating.

CONDUCT

Camporees are designed to enable the Scouts to demonstrate their leadership and Scouting skills. The best way to do this is to obey the Scout Law. **No night raids, hazing, bullying, ambushes, demonstrations of poor behavior or language will be tolerated.** Misconduct or unsportsmanlike conduct will be cause for the individual and/or the unit to be asked to leave without refund. Let's act Scout like and have fun.

Frontier District Spring Camporee April 15-17, 2011

HONOR

A Scout's honor is number one! If you see something lying around and you cannot find the owner bring it to the Camporee staff area and it will be placed in the lost and found. And remember, the Scout Law applies to Scouts of all ages.

ALCOHOLIC BEVERAGES/DRUGS/SMOKING

Per National Council policy, there is to be no alcoholic beverages, illegal drugs or smoking at any Scouting activity. **ANY ALCOHOLIC BEVERAGES OR ILLEGAL DRUGS (USE OR POSSESSION) WILL NOT BE TOLERATED. Saturday: 11:00 pm All Scouts must be within their campsite.

There is to be no noise after 11:00 pm or before 6:00 am.

ELECTRONIC DEVICES

We are here at a Camporee to have fun and compete with fellow Scouts. Electronic devices tend to be broken, lost or stolen and therefore are not allowed at the Camporee. The only exception would be a small radio or GPS device stored in the bottom of a leader's backpack and not to be used unless there is an emergency. Any device seen by the Camporee staff will be confiscated and returned only when the unit is ready to leave the campsite area. **NO EXCUSES WILL BE ACCEPTED.** Please pass this information to your units.

LEADERSHIP

Two Deep Leadership is a National Council directive. One of the leaders must be Youth Protection Certified. At no time will Scouts be allowed to leave the Camporee area without an adult leader or parent. Unit leaders will take full responsibility of their own Scouts and or unit participants at all times.

FIRST AID

Each unit is responsible for treating their own Scouts and leaders for minor First Aid cases. However, please notify the Camporee staff of any First Aid given so that it can be recorded. Any serious or questionable First Aid situation should be reported to the First Aid Station at the Camporee site for treatment or evaluation. If it is so deemed to transport or remove the victim from the Camporee, the medical release authorization form will be required and if there is no one within the campsite a Camporee staff adult will retrieve the form. A blank form for photocopying is contained in the Camporee Booklet.

Frontier District Spring Camporee April 15-17, 2011

TRADING POST

A Trading Post will be run by the Order of the Arrow. Please check the Trading Post for hours of operation. The proceeds of the Trading Post will be used for buying equipment and supplies for the Wappo Chapter of the Siwinis Lodge.

JUDGING

We need volunteers to help with Competition Judging- 3 Volunteers from each troop!

The Camporee Booklet contains the basic information on judging criteria for all competitions. Overall troop will be based on the combinations of all judging competitions of the troop and the patrols. Awards for patrol will be derived from the patrol competitions in the morning events, participation and patrol flag competition.

Complete judging information will be available at the Camporee staff area. If you have any questions please ask a staff member. Some of the judging will be done by adults and some by the youth. This has been very successful in the past and should not be a concern. If any questions arise or a situation needs to be resolved the Program Chair will be the final judge, with the Chair's word as final.

Score sheets will not be returned to the unit. If you have any questions about your scores you may inquire at the Camporee staff area before the campfire program. All score sheets will be used to light the campfire. You may only have the information on your own unit's scoring.

SANITATION

All Units are expected to use Universal Precautions regarding Sanitation in and around their camps. There will be no Trash Dumpster available, so Units are expected to carry out their bagged trash with them at the end of the Camporee.

Special note:

The Frontier District Camporee Staff hopes you have a good time and we welcome constructive critique and of course any compliments you may have.

We look forward to sharing the weekend with you, our fellow Scouts and Scouters.

There will be many invited guests in attendance and we hope that all of Frontier District Scouts and Scouters will be polite and respectful to all in attendance.

Thank you.

Patrol Flag Competition

Patrol Flag Competition: Each patrol from the troop will submit a flag for judging. Flags will be judged on the following criteria:

- **Originality of design:**

The flag can be made of any shape; round, square, diamond, etc. and any material. Flags must not be larger than 24 inches by 30 inches. Must be attached to a staff or pole of not less than 6 feet (72 inches) high. Color: may be any color the Patrol wants.

- **Suitability:**

The flag is to go wherever the patrol goes. It must be easily carried.

- **Workmanship:**

The flag must be home made by the boys. No sheet metal.

- **Points and Scoring (Maximum in each category):**

1. Flag	5 points	For submitting a flag for judging.
2. Shape	5 points	Flag must be within the size limits.
3. Name	5 points	Flag must have the patrol name, Patrol emblem and Troop number.
4. Mounting	5 points	The flag must be mounted on a 6' Pole suitable for carrying it around.
5. Pole	5 points	Decorated to look better. (Paint, beads, ribbons) not less than 6 ft.
6. Materials	5 points	Natural or recycled materials encouraged.
7. Names	5 points	Patrol members names attached to the flag yet are removable. The names can be on the flag or hang off the lower edge of the flag.

- **Extra Credit (tie breaker)**

1. Originality 5 points The originality of design.

The patrol flag should be carried with the patrol to the morning events and then **turned in for judging by 12:00 pm (noon)** at the Camporee Staff Area. Flags can be picked up at 3:30 pm after the afternoon activities.

Gateway Competition Rules

Must be Scout built – *NO ADULT INTERFERENCE will be allowed!*

Project: The Scouts are to design and build a gateway using wooden poles and either natural fiber or synthetic fiber type rope. The opening should be at least 7 ft. above the ground and must be at least 36 inches wide to allow people to enter or exit unencumbered. The gateway should be reflective of simplicity with the U.S. Flag and troop flag framing the entryway. Rock, chain, or some border material may be used to add visual appeal. Poles may be used to create a gateway to hold the flags.

There will be a limit of 12 poles total. All lashings and knots must be properly tied and have pigtailed of 2 inches or less. The unit number must be displayed on the gateway. This identifying area can be up 18"x48", and can be made of plywood that is between ½ inch to ¾ inch; or it can be lashed sticks. The sign can be painted in any color wanted by the Troop.

Units will supply their own materials. The gateway must be assembled at the Camporee. Hammer and nails, nuts and bolts or screws will disqualify the gateway. All joints must be lashed.

No work will be allowed after 11:00 pm on Friday night or before 6:00 am or after 8:30 am on Saturday morning. Violation of the time frames noted above will result in the gateway being disqualified from the competition, and penalty points issued against the campsite score.

We suggest that you design and practice assembling your entryway prior to the event so you will know how to put it together once you arrive at the Camporee. Do not make this into a quest. Scoring will be heavy on the simplicity of the design.

Scoring:

The score will be based on originality, practicality, best utilization of materials and feasibility. Construction should be obviously safe and sound. The correct positioning of the U.S. Flag and correct type of U.S. Flag will also be scored.

Judging:

Judging will be during the morning inspection period beginning at 8:30 am on Saturday. This will be a team independent of the Campsite judging team.

Note:

The gateway competition is for all units and will be part of all units total scoring. Backpack units will not be penalized on their campsite judging form. Adult assistance or interference will cause removing the Troop from the gateway competition and seriously injuring their chances for the overall Troop competition.
